

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

PROCEEDING NO. 19I-0347R

---

IN THE MATTER OF THE REGIONAL TRANSPORTATION DISTRICT'S CORRECTIVE ACTION PLAN REGARDING THE SABLE BOULEVARD AND EXPOSITION AVENUE DERAILMENT, RULE 4 CCR 723-7-7347

---

REGIONAL TRANSPORTATION DISTRICT'S MOTION FOR EXTENSION OF TIME TO PROVIDE ANALYSIS OF BUDGET ISSUES REGARDING TECHNOLOGICAL MITIGATION, AND PLAN TO MOVE FORWARD

---

Regional Transportation District, ("RTD") through counsel undersigned, respectfully moves for an extension of time as follows:

1. By Decision No. C19-0535, the Commission opened an Investigation of the Derailment that is the subject of this proceeding.
2. By Decision No. C19-0829, mailed October 11, 2019 (the, "Decision"), the Commission approved RTD's Corrective Action Plan ("CAP"). In Section II.A.2. of the Decision, the Commission ordered RTD to provide a full analysis of its budget issues regarding adding technological mitigation to its light rail system and provide the Commission with a plan of how RTD proposes to move forward with enhancing its system and operations with additional technologies by April 30, 2020.
3. RTD has been unable to provide the required budget issue analysis and plan to move forward by April 30, 2020. RTD has been deeply involved with the

unprecedented demands of Covid 19 crisis management for its mass transit system since March of this year. Additionally, amendments to the RTD budget made necessary by serious Covid 19 financial impacts are not yet finalized.

4. RTD believes that the long-range effects of Covid 19 on its work practices, operations and budget will be more apparent, and a more significant amount of the burden of adjusting practices and operations with respect to Covid 19 will have been met, by August 31, 2020. Additionally, RTD expects that an amended budget to address Covid 19 financial impacts will have been passed. RTD should then be in a better position to analyze its budgetary prospects, and provide the Commission with a plan.

WHEREFORE, RTD respectfully requests an extension of time of up to and including August 31, 2020 to submit the analysis of budget issues and proposed plan to move forward required in Section II.A.2 of Decision No. C19-0829.

Respectfully submitted this 26<sup>th</sup> day of May, 2020.

Regional Transportation District
