| | LOCAL | REGIONAL | AIRPORT |
|----------------|---------|----------|---------|
| 3-HOUR | \$3.00 | | \$10.00 |
| DAY | \$6.00 | | |
| MONTHLY | \$96.00 | | |

RTD Fare Study Discounts

40% LiVE (low-income) discount proposed to be increased to 50% to bring in to line with seniors / Medicare / individuals with disabilities discount fare.

For customers paying discounted fares (e.g., LiVE, seniors, individuals with disabilities, youth), should RTD consider a single fare for travel anywhere in the RTD service area, including the airport?

Motion

**This house moves
to fully endorse
Alternative B for the
2022 RTD Fare Study &
Equity Analysis.**

Motion

**This house moves to
fully endorse upcoming
Ballot Initiative 307,
'Denver Deserves
Sidewalks'.**

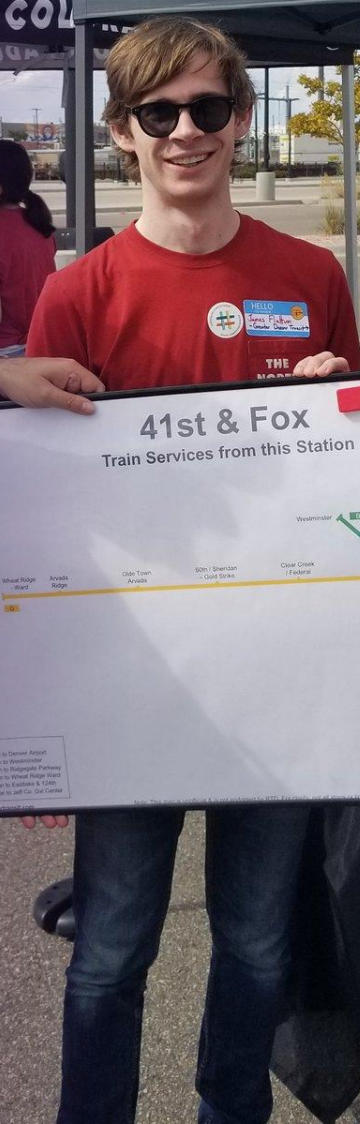

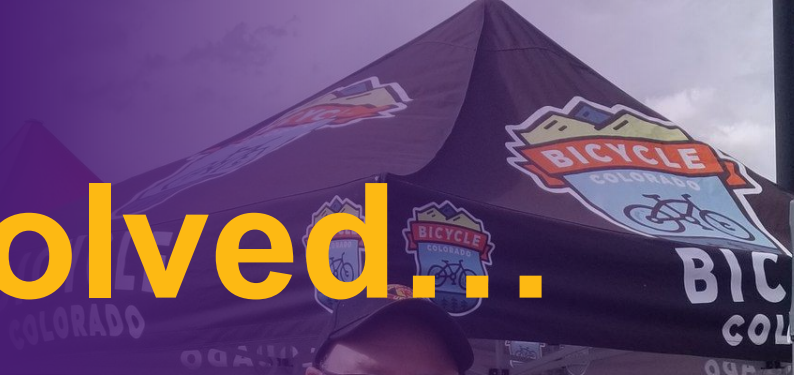

A blurred background image of a city street. On the left, a white bus is visible with the destination '15L AURORA MET CTR' and the number '9402' on its front. The bus has a logo that says 'RTD The Ride'. In the background, there are other vehicles, including a silver SUV, and buildings under a clear sky.

Motion

**This house moves to
fully endorse the Denver
Streets Partnership's
2023 Election
Policy Platform.**
