If you had to create a Code of Conduct...what TEN rules would you write? *(No more than ten!)*

1 Being within any RTD fare-paid zone without prior payment of the proper fare.	Revise	Being within any RTD fare-paid area without prior payment of the proper fare.

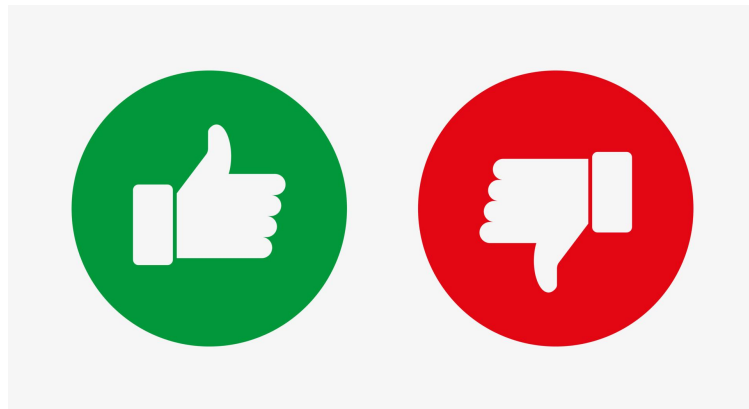

Should RTD have “paid fare areas”?

Current Customer Code of Conduct	Proposed Action	Staff Recommended Revision(s) or Amendment(s)

Food must be kept in a sealed or resealable containers, and beverages must be sealed or in a spill-proof container. Eating on any RTD vehicle is only allowable to the extent that it is medically necessary.

**Should we allow food?

Discuss as a group what this means as in layman's terms and share.

Proposed Revisions: **Other Prohibited or Illegal Activity**
